Weiss MINISTRIES *update*

TOUCHING THE HEART OF THE WORLD WITH THE HEART OF GOD

✧ The Year in Review ✧

*David & Juanita Weiss
Weiss Ministries, Inc. of
Chesapeake, a nonprofit
ministry, was founded in 2000
as a covering for the
preaching and teaching
ministries of David & Juanita
Weiss and for publications
intended to bless the Body of
Messiah. Weiss Ministries'
primary goal is bridging the
gap between Jews and Non-
Jews, churching and
unchurched, saved and
unsaved with the Jewish
Message of the Gospel.*

"We give thanks to God always for all of you, making mention of you in our prayers; constantly bearing in mind your work of faith and labor of love and steadfastness of hope in our Lord Jesus Christ [Adonai Yeshua, our Messiah]" (1 Thessalonians 1:3). What a wonderful moment when we can pause and reflect on what God has done through Weiss Ministries! Let's start by sharing with you this year's ministry opportunities:

For a second year, David was asked to bring a Messianic Jewish perspective to a Martin Luther King Celebration in January at the First Pentecostal Church in Norfolk. In April, Juanita spoke at a Fellowship Breakfast in Newport News at St. Mark's United Methodist Church. Also in April, both David and Juanita led a Passover Seder for Message of the Cross in Richmond, VA. In June, Juanita shared with the Dorcas Ministry, a women's outreach group, at Community Presbyterian Church in Chesapeake. In October, both David & Juanita were speakers at their Synagogue's Rosh Hashanah Service. In October Juanita spoke at Jerusalem United Holy Church in Chesapeake about the relevance of Rosh HaShanah to Gentile believers. Also in October,

Juanita taught a session entitled "What Is My Gift?" at the Dunamis Christian Center's Women's Conference in Hampton. In November, Juanita directed an original play entitled ***On the Lips of Angels***, which opened at the Barry Robinson Theater in Virginia Beach. It tells the story of the birth of Yeshua from the angels' perspective and in a Jewish context. Thank you to those who attended and a special thank you to all our **patrons** and **sponsors**:

GOLD: Philadelphia Congregation of the Revelation; Beth Messiah Synagogue Chai Fund; House of Israel Ministries; Dream Funding, LLC; Steve & Pam Foster. **SILVER:** Carolyn Barnes; Johanna William; Kingdom Life Ministries; Valerie Williams; Masterful Coaching Enterprise; James Grayer; Corine Tyler. **BRONZE:** Juliette Louis Turso; Dr. Sharon Cason; Cindy Pryzmanski; Beverly Howell; **DONORS:** Jane Nelson & LaToya Smith; Aubrey Maye & Jane Lauter.

A very special thank you to the Board of Weiss Ministries, Inc. We could not have done any of this without you! May God reward you for all your sacrifices and bless you with great prosperity.

Did you know that the Dead Sea is dead because it does not pour out? It receives water from the Mediterranean, but it does not give out. Because God wants to bring forth life through us, it is important that we give. Because of your support in 2011, Weiss Ministries has

been able to bless Love & Hope Ministries; House of Israel Ministries; and Bellevue Christian Center. Check out these ministries online to discover more information about the ministries that you have blessed because you supported us.

INTERESTED IN DONATING?: We could only do all that we did in 2011 because of your support: you bought a book, attended our productions, gave sacrificially, sat in one of our teachings, read a blog, and/or prayed for us. Join us as we seek to do more for the Kingdom in 2012. As we approach the end of the year, please consider making a tax-deductible donation to Weiss Ministries, Inc. Your support helps us to publish materials, produce plays, and share teachings with a Messianic flavor. These gifts serve to edify the body and bring us into the fullness of the measure of Messiah according to Ephesians 4. Also, we are able to support foreign missions that feed the hungry, educate the illiterate, and spread the Gospel of Yeshua. Use the self-addressed envelope enclosed or go on www.weissministries.org to donate electronically. Your support will go a long way in unifying the Body of Messiah and blessing the heart of God.. Thank you in advance for your support!

God *STILL* Uses Vessels

In 2010-2011 Juanita sold over 400 copies of *Journey Beyond Imagination*, an as-told-to biography about the amazing faith-journey of Ethiopian Jewish Rabbi Kokeb Gedamu. Juanita will be publishing her second book entitled *God STILL Uses Vessels (GSUV)*. Have you ever asked God these questions: Why did you create me? What am I here for? What is my purpose? If you have,

then this book is for you. It will answer those questions, give you a perspective for a fuller, more abundant life, and help you discover your value in the Kingdom of God. It comes with discussion questions at the end of each section to be used in your devotions or in Bible studies. *GSUV* is due to be released by the end of the year. Log on to our website for more info. Pray for Adonai's favor!

JUANITA WEISS is working on publishing a devotional that started out as a blog last year. It is entitled *Walking Daily with the Father*. Here's the premise: "The more we focus on *what* He IS doing, the more of *that* He will do in our lives." For 31 days Juanita recorded her interactions with the Father as He spoke through nature, people,

thoughts, ideas, readings, etc... Now she is compiling them to bless a wider audience!
